**Remarks**

Excellent lot for building your dream home! Previously had a manufactured home on it so that might be an option as well. Water and sewer are already installed - that's a value of \$4000 for each plus the \$650 installation fee! Close to the school, shopping, Dolores River and all that Dolores has to offer! Dolores is the Gateway to the San Juan Mountains! Easy drive to Telluride and to all of the BLM and National Forest in between!
